## 2. COMPOSITION / INFORMATION ON INGREDIENTS

These are nonhazardous products comprised solely of 100% organic coir, the fiber and husk byproduct of the coconut. Appearance is a brown, odorless natural organic substance.

## 3. HAZARDS IDENTIFICATION

### IMMEDIATE CONCERNS:

Avoid breathing dust particles by using adequate ventilation. Protective clothing is not necessary. Avoid eye contact with any foreign body. Do not ingest product. Keep out of reach of children.

### POTENTIAL HEALTH EFFECTS

**EYES:** Dust particles may cause minor eye irritation.

**SKIN:** No known hazard.

**INGESTION:** No known hazard.

**INHALATION:** Inhalation of dust particles may cause slight irritation.

## 4. FIRST AID MEASURES

**EYES:** Hold eye open and flush thoroughly with water for 10 to 15 minutes. Remove contact lenses, if present, after the first 5 minutes, and then continue flushing eyes. Call doctor for treatment advice if needed.

**SKIN:** Wash thoroughly with mild soap and water.

**INGESTION:** Have person sip glass of water if able to swallow. If person has symptoms of problem, call a poison control center or doctor immediately for treatment advice. Do not induce vomiting unless told to by a poison control center or doctor. Never give anything by mouth to an unconscious person.

**INHALATION:** Move person to fresh air. If person has symptoms of problem, call a poison control center or doctor for further treatment advice. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth, if possible.

## **5. FIRE FIGHTING MEASURES**

Product is non-flammable, non-toxic and nonhazardous. Use normal fire fighting practices.

## **6. HANDLING AND STORAGE**

Wash hands with mild soap and water after handling product. Avoid inhalation. Store in cool, dry area in closed container or package.

## **7. PRECAUTIONS FOR USE**

**EYES AND FACE:** Protective eye wear is typically not required for normal product use.

**SKIN:** No special protective clothing is necessary under normal use conditions. Users may elect to reduce contact by wearing gloves when handling material for extended periods, by washing hands after use, and by wearing long pants, shoes, and socks.

**RESPIRATORY:** Use adequate ventilation. No special respiratory protection is required under normal use conditions. User may want to use a dust mask if operating conditions create high airborne concentrations of product.

## **8. PHYSICAL PROPERTIES**

Appearance is a brown, odorless natural organic substance.

## **9. TRANSPORT INFORMATION**

No special transportation requirements are necessary.

## **10. OTHER INFORMATION**

**DISCLAIMER:** The information contained herein is, to the best of the Manufacturer's knowledge and belief, accurate and reliable as of the date of preparation of this document. However, no warranty or guarantee, express or implied, is made as to the accuracy or reliability, and the Manufacturer shall not be liable for any loss or damage arising out of the use thereof. In addition, the Manufacturer shall not be liable for any damage or injury resulting from abnormal use, from any failure to adhere to recommended practices or from any hazards inherent in the nature of the product.
